Request for certification by the application, declaration

I herewith request recertification as a HypZert Real Estate Valuer. I am aware of the terms and conditions of the certification agreement, the agreement on dispute resolution, the requirements for certification as well as all procedural regulations. I also know that non-compliance or breach of these regulations may result in the certificate not being granted or a granted certificate being withdrawn.

I affirm that I am a person of good reputation and have no criminal record. I am familiar with the conditions of certification and the professional principles for HypZert Real Estate Valuers, and I will comply with them.

During the validity period of certification, complaints and/or claims made by third parties against my person and/or my work as a certified HypZert Real Estate Valuer *(please tick)*

Consent: I hereby express my consent to have my contact data (name and type of certificate only in the case of employed valuers; for self-employed valuers business address, phone/fax and e-mail additionally) published in the list of certified valuers on the HypZert GmbH's website. In case of disapproval, I will delete this clause. My consent can be freely withdrawn at any time.

For reviewing and processing the request as well as for the examination itself, fees are due according to the respectively applicable price list of HypZert GmbH.

The invoice should be addressed to *(please tick)* home address business address.

I myself have prepared the appraisals that I have submitted.

I agree that the Certification Body may make audio recordings of the recertification examination. The recordings shall be kept for one year. The recordings shall only be used for furnishing evidence regarding the examination for the valuer and the accrediting institute(s) of the Certification Body in order to maintain the certification. The recordings shall always be deleted one year after passing the oral examination. The recordings shall only be kept longer if such is required for furnishing evidence regarding the examination for the valuer or the accrediting institute(s); in this case the recordings shall be deleted immediately after finishing the review. **This consent can be revoked at any time.**
